

Canon World Papercraft Mini-book

Buildings of the World Series Holland Windmill

Windmills first appeared in Holland in the 1200s. They were used mainly to mill wheat into flour. Beginning in the 1400s they were also used for pumping water. Even today Holland is famous for its windmills.

There are various types of windmills. This style is called the "grand sailor."

*Cut out the card above and save it. You can collect the cards from each of the Papercraft projects to make your own mini-book!

- cut line
- - - mountain fold line
- - - valley fold line
